

University comparison sheet

Use one copy for each course. Take the details from the university's official admissions page for your intended intake.

University and city

Course and degree level

Teaching language

Intake and application deadline

Official admissions link

Tuition and other study costs

Accommodation and estimated living costs

Scholarship options and separate deadlines

Date checked: _____ Your name: _____

Check the details.

Before you decide, compare the information below and write down anything you still need to ask.

For this course, have you checked...

- ☐ The subjects taught, course structure, and teaching language?
- ☐ The academic qualifications and transcripts required?
- ☐ The language certificates, entrance tests, or interview requirements?
- ☐ Whether documents need translating or certifying?
- ☐ The application fee and how to apply through the official portal?
- ☐ The total budget, including accommodation and everyday costs?
- ☐ Whether scholarship applications have a different deadline?
- ☐ Who to contact at the university if you have a question?
